Pick up information:

Salem: Pick ups are Tuesdays and Fridays 2-7 PM at 30 Woodbridge Rd., in Salem. You may attend either pick up once a week to pick up your share, you do not need to pick a day.

If you cannot make it, please consider inviting a friend, family member or coworker to pick up your share for that week. We can set aside a share for you to pick up at a later time but please let us know as soon as you know you won't be able to make the pick up by email kerry@providerfarm.com or text (860)222-5582.

Mystic: Pick ups will be Saturdays from 10-4 at the Coogan Farm Welcome Center at 162 Greenmanville Ave., Mystic.

Please note that Coogan Farm can not store shares overnight. Feel free to send a friend, family member or neighbor to pick up your share if you can not make it. Left over shares will be donated at the end of the day.

SNAP payments:

We can accept SNAP payment for our Salem share pick ups. The payment plan is a little different due to SNAP regulations. Please complete the form and indicate you will be paying with SNAP. We are unable to collect SNAP payment more than two weeks in advance, so we just ask you to swipe weekly to pay when you pick up your share. Just indicate you are paying EBT, you do not need to include payment at this time.

About our CSA:

Small shares are good for two people who eat a moderate amount of vegetables.

Regular shares are good for two vegetarians who eat a lot of vegetables or a family of four who eat a moderate amount of vegetables.

Large shares are good for a family of four vegetarians that eat a lot of vegetables, or a larger family.

We grow all of the crops in CSA. That means everything is seasonal and we only have crops that are in season. This is great because they are at peak flavor and freshness!

We do our best to produce high quality crops in abundance but farming is impacted to environmental factors that can affect crop quality or failure. We grow an abundance of diverse crops and barring an environmental disaster, we always have enough to go around.

Communication:

All communication about the share is done through email. You will receive our newsletter upon signing up for the share. Please make sure you are receiving it or reading it on our website so you don't miss out on important information.
