2020-2021 Winter Share

We are pleased to announce we will be offering a Winter Share for the winter of 2020-2021. We have a limited number of shares available. Current shareholders will receive priority to purchase winter shares.

What is the duration of the Winter Share?

There will be 6 bi-weekly distributions from December 4th until February 19th.

When will the pick up be for the Winter Share?

Friday afternoons from noon until 6pm.

What will Covid precautions look like?

You must sign up for a pick up time through a sign up genius form to space everyone out. Everyone is required to wear a mask and social distance when they pick up the share.

Prepacked shares are available for an additional fee of \$20 for the full share. These do not require a sign up time.

What can I expect to get in my share?

Your winter share will include lots of delicious mix and match root crops from our root cellar including: **carrots, potatoes, beets, turnips, sweet potatoes, rutabagas, watermelon radishes, and kohlrabi** in addition to **cabbage, winter squash, leeks, onions, as well as head lettuce, kale and spinach** from our high tunnel!

We are confident that we will have greens at the first three distributions of the Winter Share. We hope to also have kale and spinach available for the last three distributions (and we always have) but we cannot guarantee this since it is dependent on winter weather.

How much does it cost?

Winter shares will be \$335 or \$355 for prepacked shares due at sign up. We accept EBT payments.

What are those dates again?

The Dates of the Winter Share are: **12/4, 12/18, 1/8, 1/22, 2/5, and 2/19**

What happens if it snows on the Friday of a distribution?

We reserve the right to postpone distribution due to inclement weather. This will be done at the discretion of the farmers. Cancellations and make up dates will be announced via email or by text and by our website and facebook. **Please make sure we have an email address that you check regularly.**
